

# Business Music Streaming Service

## Now Available!

### Welcome to CloudMusic Streaming Service!

**CloudMusic music streaming media** - the world's #1-rated digital streaming music and messaging service for businesses.

Our service installs in just minutes and scales seamlessly from one location to thousands without missing a beat. Millions of professionally curated, family-friendly song combinations are available, all at the most affordable pricing.

### Music That Matches Your Business

With **CloudMusic**, it's simple to set up the right music for your business. In today's fast-paced world, setting the right tone is crucial. With over 200 stations, we have every musical genre covered, allowing you to customize the perfect soundtrack to meet your unique needs.

### Simple to Install, Customize & Monitor

**CloudMusic** installs in minutes and is simple to control and monitor using the Tune application from a laptop, phone, or tablet. All you need is an Internet connection and you're ready to stream family-friendly, clean music or build a playlist of your own.

Monitor what's playing in real-time, at one location, or hundreds at the same time.
